Players have no standing and shall give way forthwith to players in regular order, whether or not such players in regular order give warning or ask to go through.

**Tee Times and the York Golf Lottery System:** The York Golf Lottery System is a process where all the Memberships have an equal chance to get a preferred tee time. Lottery slips are available in the pro Shop and may be made out at any time for the following Friday, Saturday, Sunday and holidays. You may call the Pro Shop to have your ballot filled out over the phone. **Mark the ballot** either Friday, Saturday, Sunday or Holiday, your desired time, (i.e. 0630, 0700, 0730, etc.) right up to 11:00 AM. **Please Note: Friday** lottery tee times will be drawn up to the 12:40 PM. Mark the slip whether or not you want a later or earlier than your desired tee time if your exact time is not available when your name is drawn, and provide at least 2 names. Then place the ballot

in the lottery box. If you are a twosome or threesome the Pro will try to match-up anyone that is in the lottery or that may be looking for a game on your chosen day. If by chance you get “shutout” and all the tee times are taken by the time your name is drawn, (this should be very rare since we eliminated guests on weekends until after 11:00), you would get first chance at any tee time for the following weekend. Friday Tee times are drawn on Tuesdays after 5 PM. Saturday, Sunday and Holiday tee times are drawn on Wednesdays after 5 PM. You can then stop in at the Pro Shop or call to see when your tee time is posted. All other tee times may be made 2 days in advance by calling the Pro Shop at 363-2683. The lottery system is only used for the crunch of Friday, Saturday, Sunday and Holiday mornings. Note: For the respect and benefit of all club members, if someone in your foursome cancels, notify the Pro Shop within 24 hours so that “the tee time is filled” by another member. Failure to follow this policy may result in possible loss of weekend privileges.
