

**Policy on Members and Wait List Applicants playing in Maine Seniors
Tournaments**

When you make up your foursomes:

- 1) If you have four people, have the “captain” put them on the application (including the check) for each specific tournament. If you have less than four the Tournament Director will assign single or dual members to complete as many foursomes as possible.
- 2) Once the Tee Times sheet is posted and your group still has less than four players, you may now fill in your group from the Wait List below. Try to proceed with the top of the list toward the bottom as the people at the top have been waiting the longest.
- 3) If you still can't find someone call John Parkhurst – 363-3491 or Stan Schultz, the Tournament Director – 773-3634 [e-mail – Maineseniorgolf@aol.com].
- 4) If you add a wait list player, you need to tell the Tournament Director his name, date of birth and current handicap.
